

COVID-19 Consent Form

I consent to an evaluation or treatment from Eagle Endodontics during the COVID-19 outbreak. I understand there is much to learn about COVID-19 including how it spreads and is transmitted. I understand that based on what is currently known about COVID-19 the spread is thought to occur mostly from person-to-person via respiratory droplets among close contacts. I understand that close contact can occur from being within approximately 6 feet of someone with COVID-19 for a prolonged period of time or by having direct contact with infectious secretions from someone with COVID-19. I understand that carriers of COVID-19 may not show symptoms but may still be highly contagious.

Although Eagle Endodontics has taken every precaution, I understand that due to the unknowns of this virus, the number of other patients that have been in the practice and the nature of the procedures performed here, that I have an increased risk of contracting the virus by being in the practice and by receiving treatment in the practice.

I understand that the evaluation/treatment I am receiving is possibly due to an underlying infection, pain, or conditions that could limit my normal day-to-day activities. I confirm I am seeking treatment for a condition that meets these criteria. () **Please Initial**

I understand that dental procedures have the potential to include aerosol-generating procedures as well as anticipated splashes and sprays, which are some of the ways that COVID-19 can be spread. I understand that the symptoms listed below are representative of COVID-19:

- Fever
- Dry Cough
- Shortness of Breath
- Temperature
- Persistent pain or pressure in the chest
- Bluish lips or face

I confirm that I do not display or currently have any of the symptoms that are representative of COVID-19, which are outlined above:

I understand that all travelers arriving from a country or region with widespread ongoing transmission, as outlined by the CDC, should stay home for 14 days to practice social distancing and monitor their health after their arrival. I confirm that I have not traveled to any of the countries or regions with widespread ongoing transmission (Level 3 Travel Health Notice) in the past 14 days. () **Please Initial**

I confirm, to the best of my knowledge, that I have not had close contact with an individual diagnosed with COVID-19 in the past 14 days.

Date: _____
